

GRABEK GLOBAL

Investing in a Sustainable Future

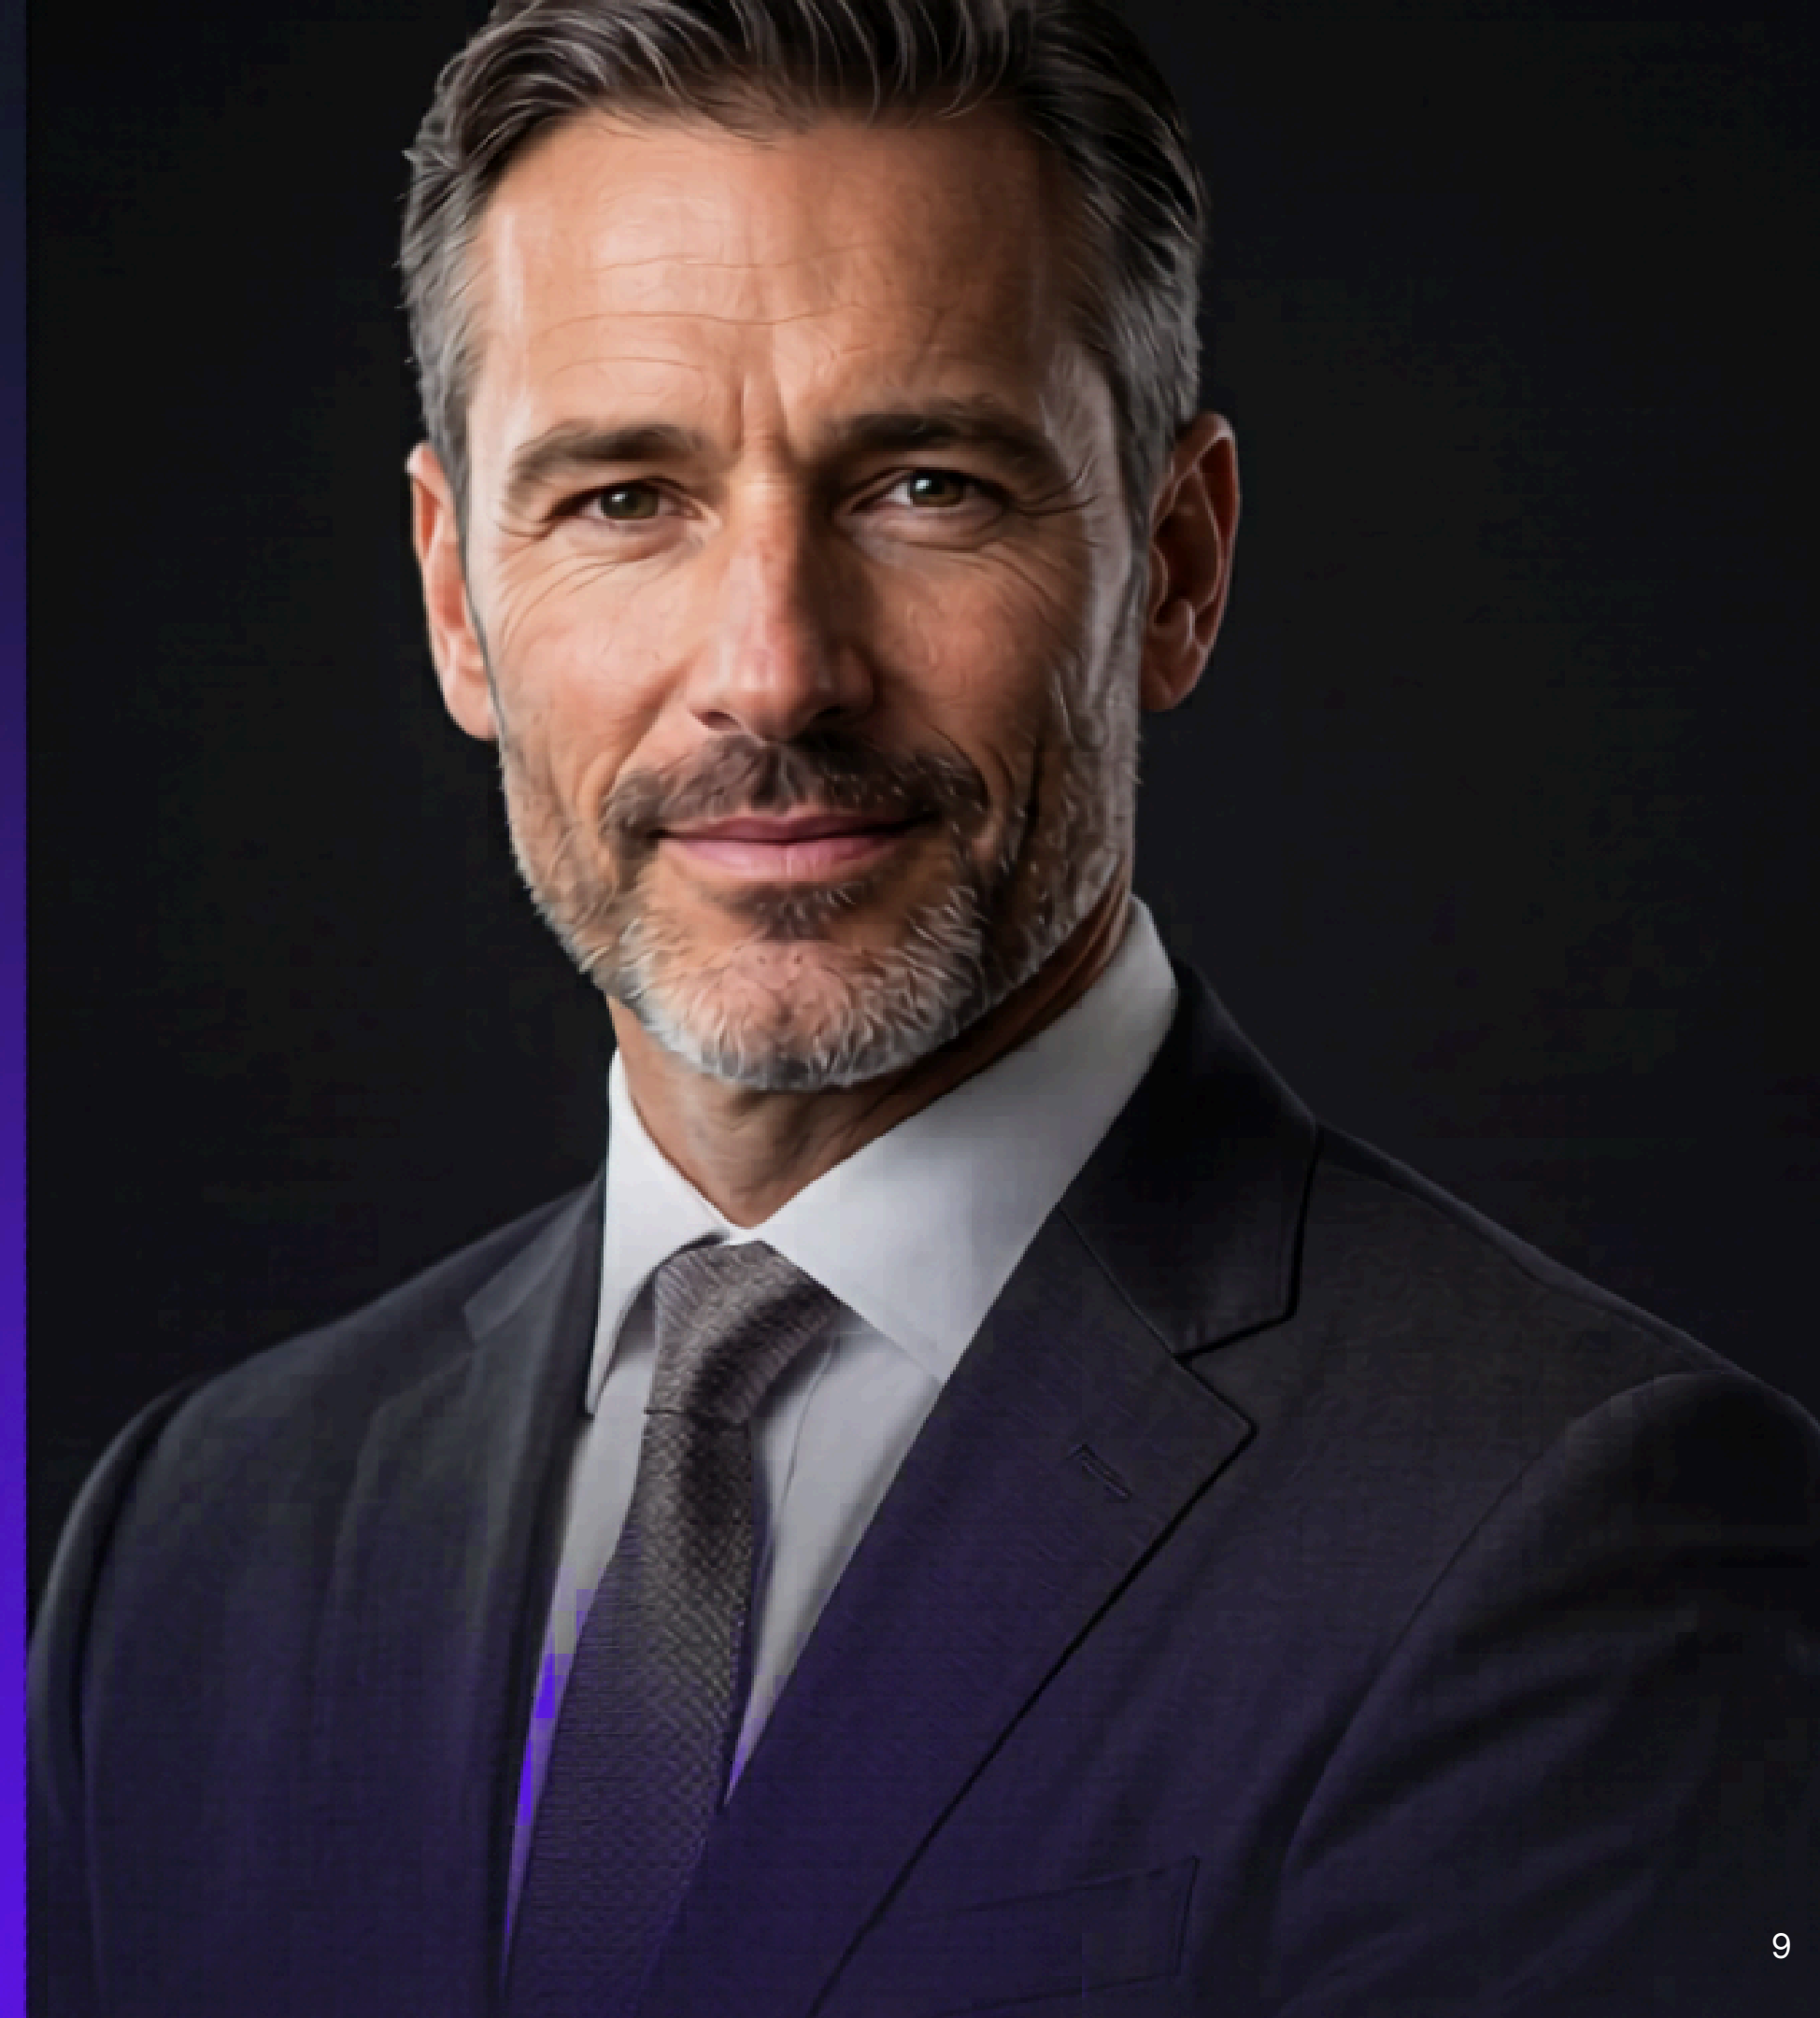

CEO MESSAGE FROM LUC GEORGES

Welcome to Grabek Global. As we navigate the evolving landscape of natural resource investments, our commitment remains steadfast: delivering sustainable value while protecting our planet for future generations. Through innovation and ESG integration, we are building lasting prosperity.

▶ **Leadership vision for sustainable growth**

▶ **Innovation in natural resource investments**

▶ **ESG focus and long-term value creation**

CORPORATE OVERVIEW

ASSETS UNDER MANAGEMENT

As of March 2024, Grabek Global manages \$87.6 billion in diversified natural resource investments with a market capitalization of \$4.5 billion.

GLOBAL CLIENTS 3.12 Million

Our trusted platform serves over 3.12 million clients worldwide, processing over 55,000 weekly transactions across all investment sectors.

DIVERSIFIED PORTFOLIO

Strategic investments span forestry and timber production, cryptocurrency mining operations, climate solutions and renewable energy in the USA, UK and Armenia.

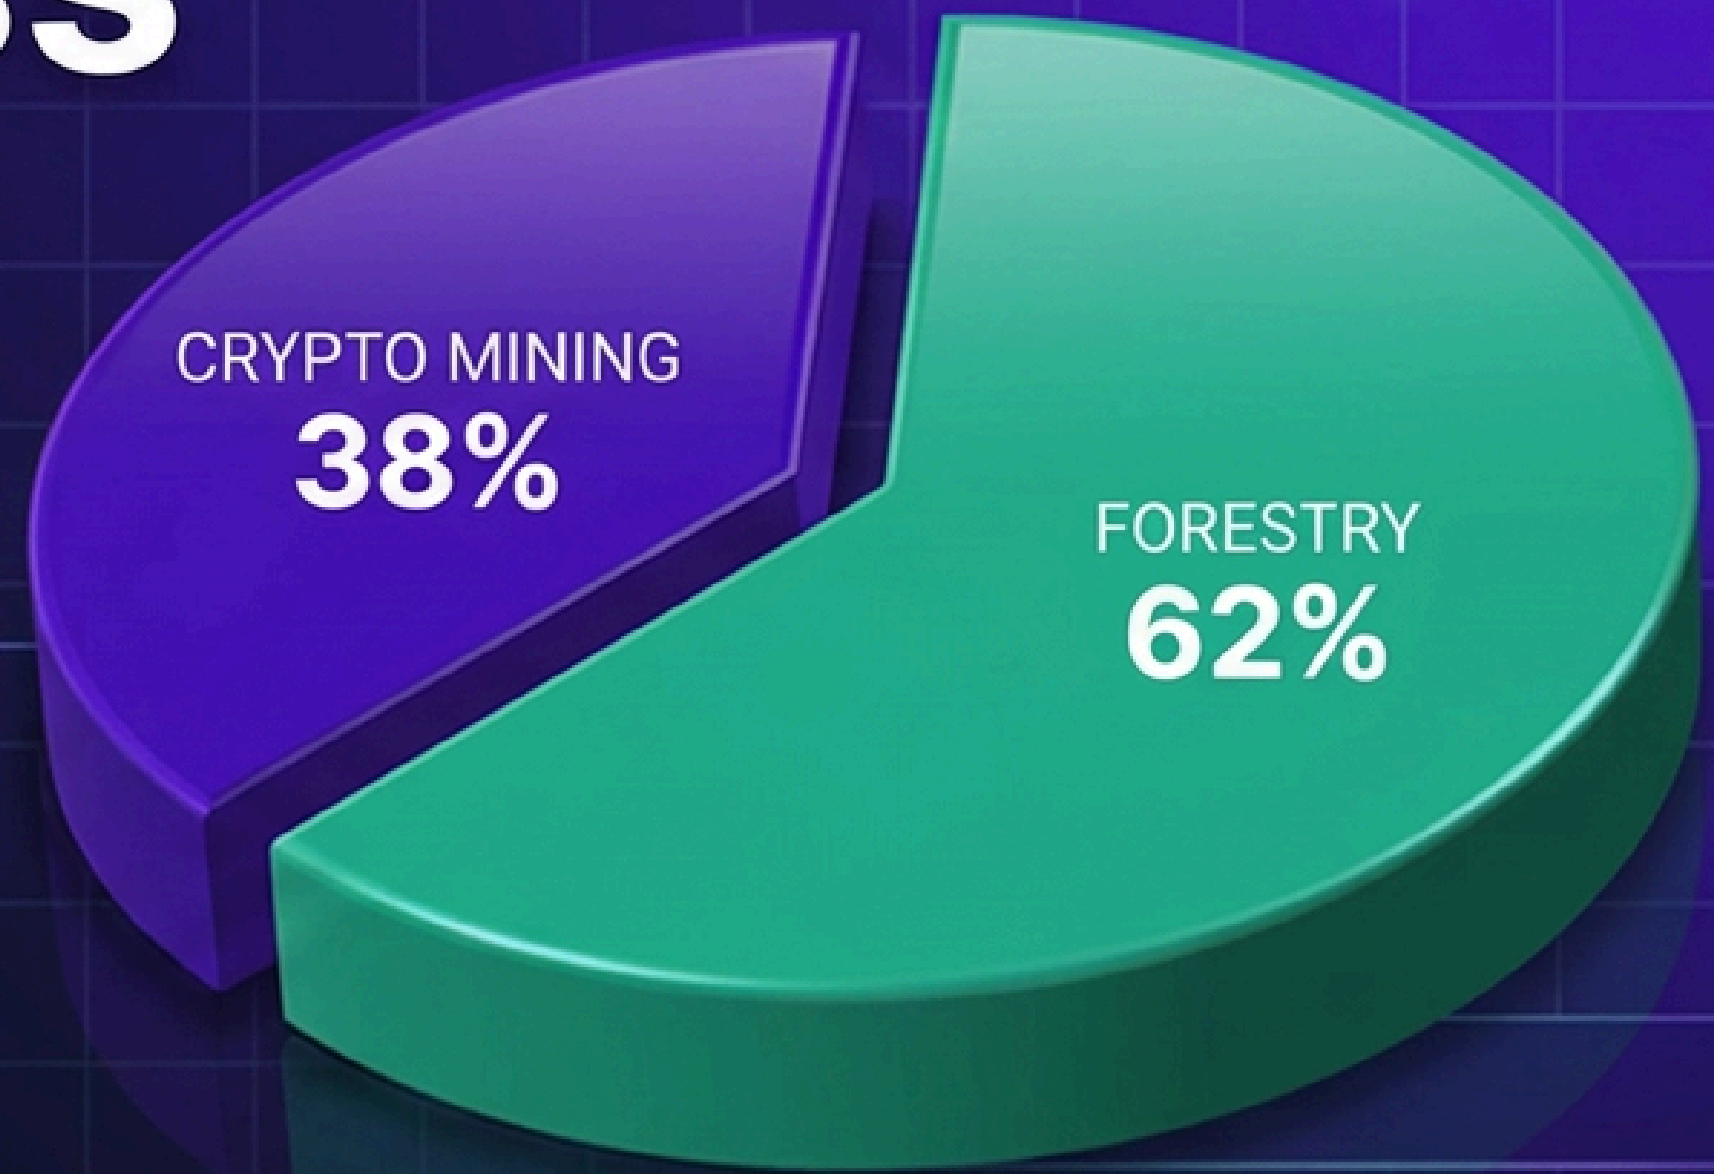

Mission and Vision

At Grabek Global, we are committed to transparency, security, and client-centered growth. Our purpose and aspirations guide every investment decision, ensuring long-term value creation for our stakeholders and the planet.

- ▶ Mission: Generate sustainable value through responsible natural resource investments integrated with ESG principles
- ▶ Vision: Lead innovation in forestry, mining, and climate solutions to build a greener economy
- ▶ Commitment: Transparency, security, and client-centered growth

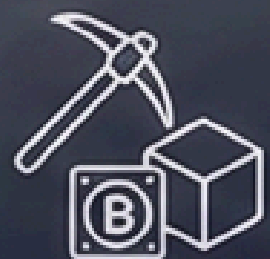

Key Business Sectors

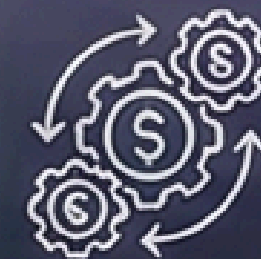

Forestry Services

Timber management and logistics.

Mining Operations

High-powered blockchain verification.

Resource Strategy

Diversified portfolio balancing.

Mining Investment Plan

Invest in hash power packages to participate in our crypto mining operations. With our power plants ensuring operational efficiency, investors receive daily accrued profits for consistent passive income generation.

- ▶ **Purchase hash power units**
- ▶ **Daily accrued profit system**
- ▶ **Consistent passive returns**

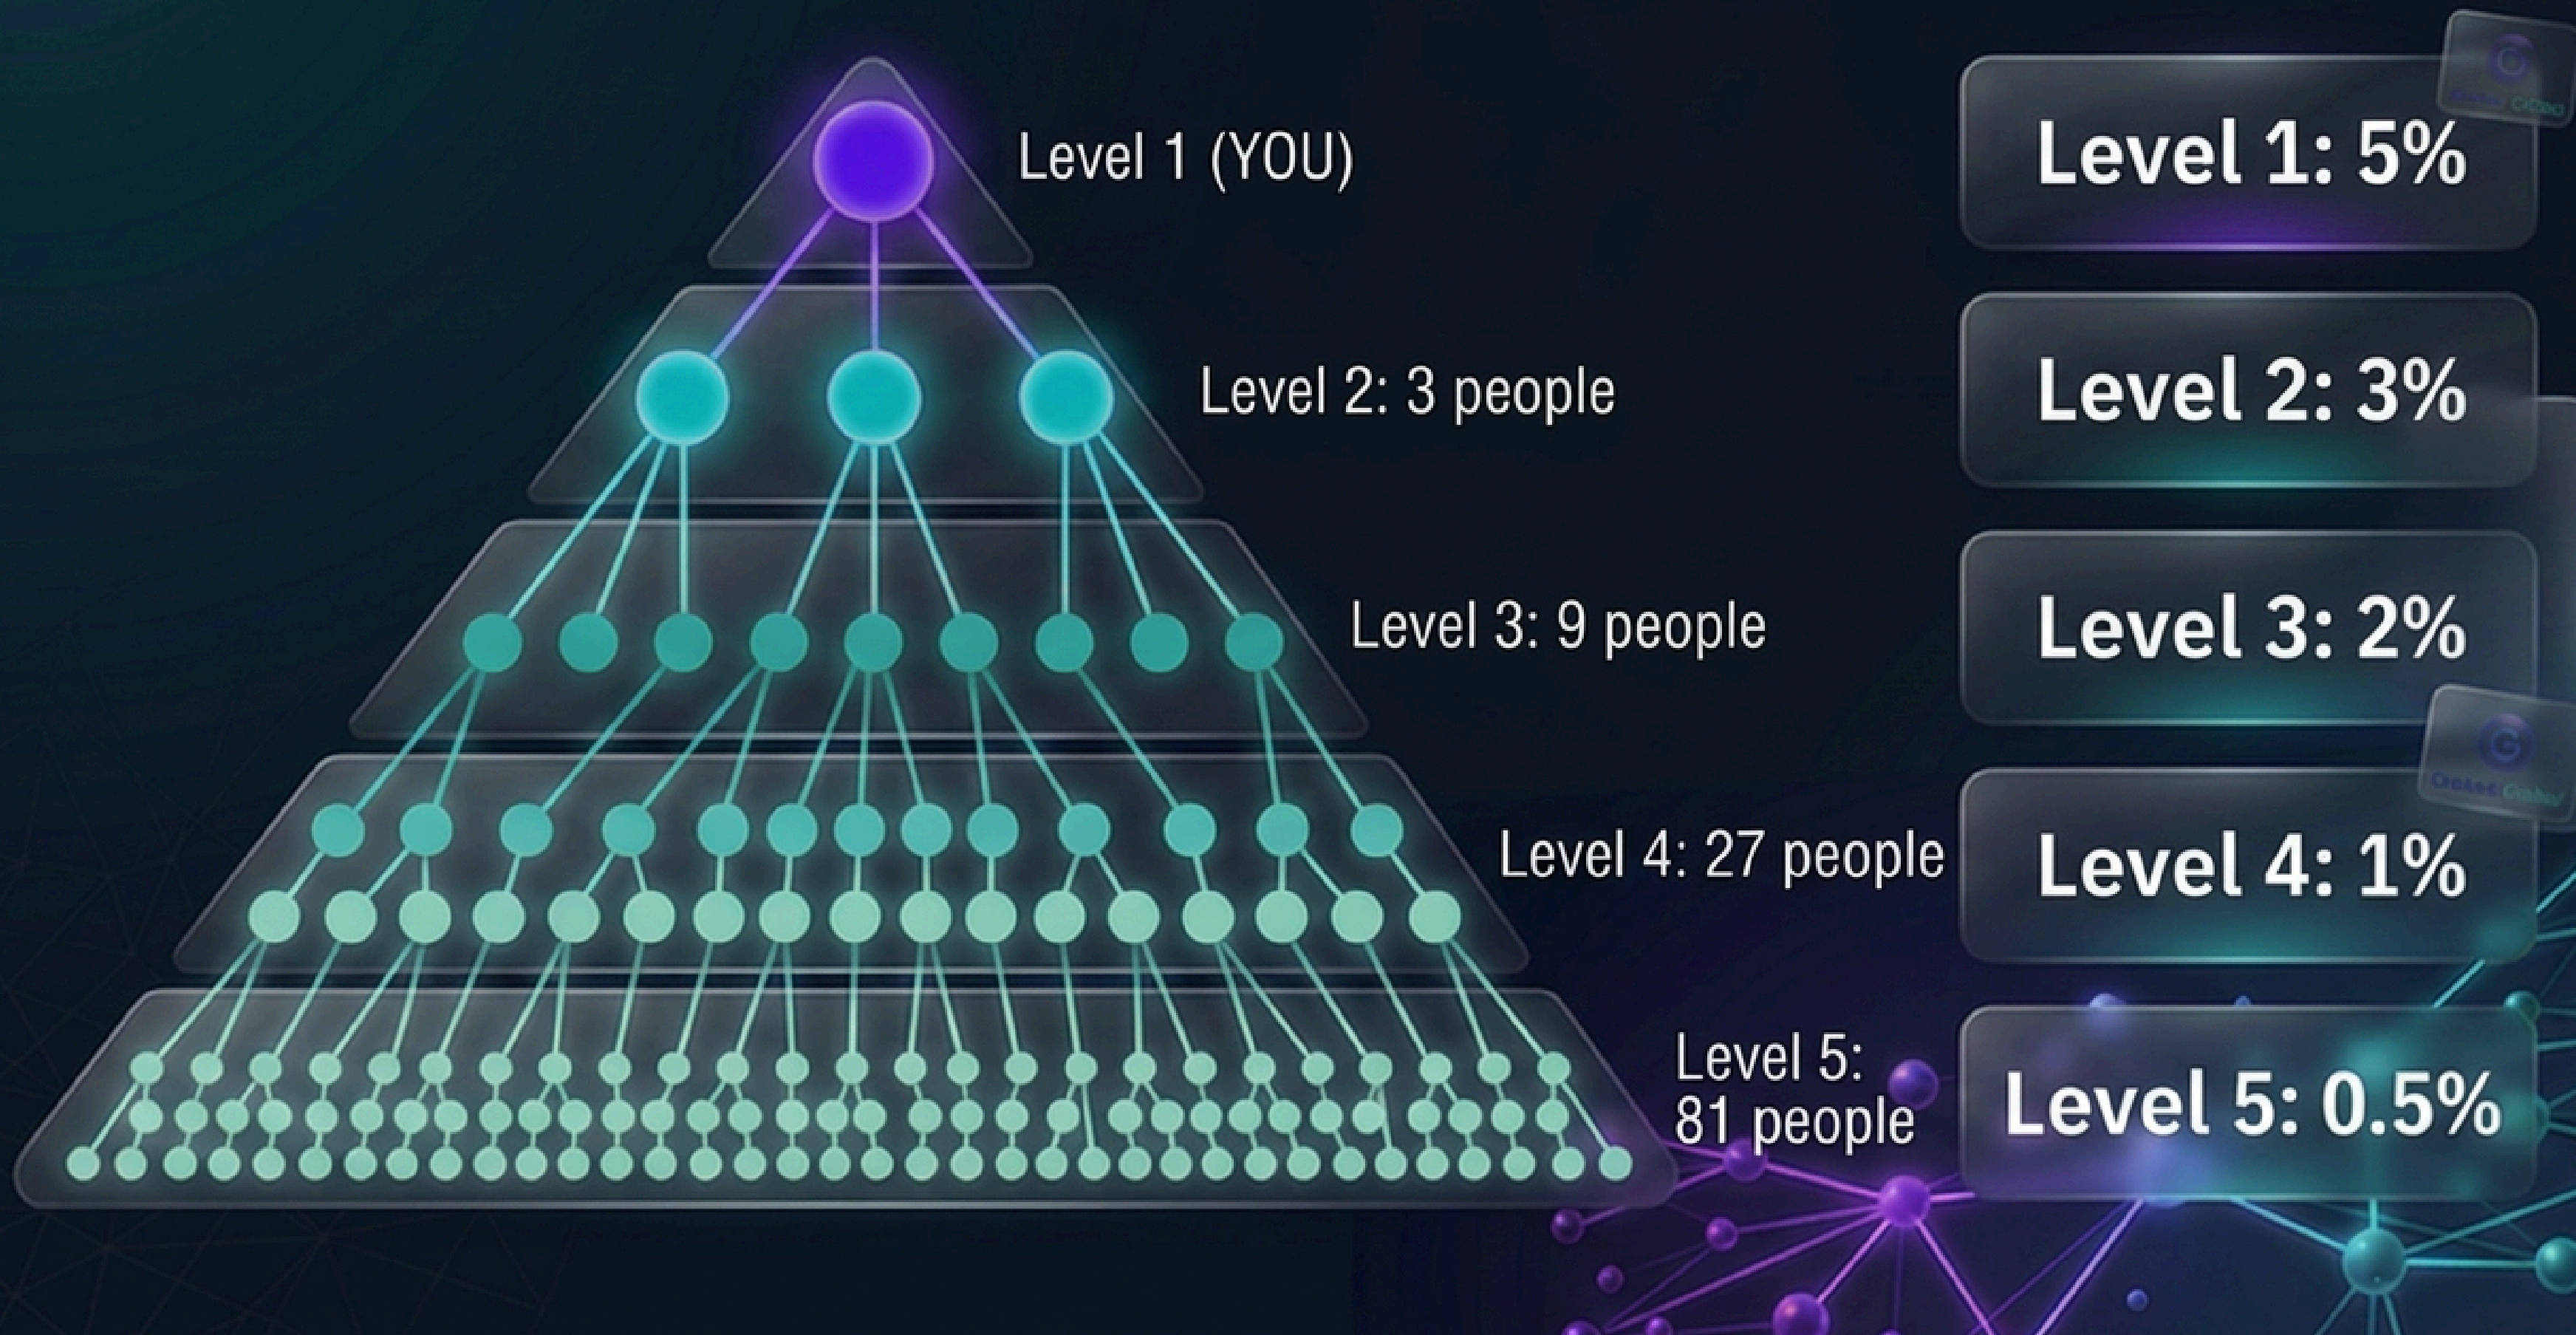

Forestry Investment Plan

Our Field Packages offer sustainable income-generating forestry parcels designed for long-term growth. Investors benefit from timber sales and wood production while contributing to environmental stewardship. Each parcel generates income through responsible harvesting and carbon credit opportunities.

- Income-generating forestry parcels
- Revenue from timber and wood production
- Carbon credit generation opportunities

Grabek Global 5-Level Referral Program

Add Cryptocurrency Wallet Addresses

Link your BTC, ETH, and USDT wallet addresses for seamless deposits and withdrawals across multiple cryptocurrencies.

Enable Two-Factor Authentication

Activate mandatory 2FA for enhanced security. This critical layer protects your account with a code sent to your device.

Complete Identity Verification

Fill in your profile and submit identity documents for secure compliance verification, unlocking full platform access.

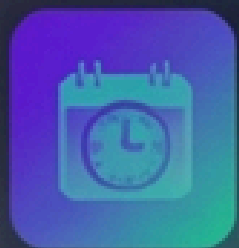

Step 2: Provide Account Details

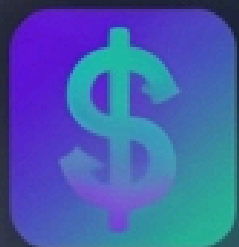

Analyze Profit Potential

Analyze expected returns for your chosen investment plan. Compare forestry and mining packages to find the option that best matches your financial goals and risk tolerance.

Verify Duration and Deposit Conditions

Understand the commitment period for each investment. Review withdrawal policies and conditions to ensure the plan aligns with your liquidity needs and timeline.

Daily Profits Start Immediately

Once the investment is confirmed, daily profit accrual begins right away. Track your earnings in real time through the secure dashboard and watch your portfolio grow.

CHOOSE YOUR INVESTMENT RATE

▶ **Multi-Sector Account Management**

Unified investment accounts covering forestry, crypto mining, and renewable energy sectors. Monitor all investments and yields from a single centralized panel.

▶ **Real-Time Investment Monitoring**

Real-time portfolio performance monitoring with detailed analysis. View daily profit accruals, investment growth, and transaction history.

▶ **Advanced Security System**

Seamless deposits and withdrawals with BTC, ETH, and USDT support. A dedicated cybersecurity team ensures 24/7 protection with optional 2FA.

Platform Features

Our investment platform offers a seamless experience with powerful tools designed for modern investors. Manage your diversified portfolio across forestry, mining, and renewable sectors from a single intuitive panel with enterprise-level security.
